Exclusions

We do not undertake tax advice. We would recommend you seek advice from an independent financial adviser.

Our fees are fixed, however there may be factors which would typically increase the cost of the fees estimated above. Where there is likely to be any additional cost, we will make sure you are informed of this at the earliest opportunity and a clear estimate of those extra costs will be provided.

Factors that may lead to an increase in cost include:

- If a legal title is defective or part of the property is unregistered
- If you discover building regulations or planning permission has not been obtained
- If crucial documents, we have previously requested from you have not been provided to us
- If the property is a new build

Time Scales

For any transaction, the timescales are subject to change depending on when your offer is accepted and other factors involved. A typical transaction will take between 10-14 weeks. It can be quicker or slower, depending on the parties in the chain

However, if any of the above apply, or there are other factors we need to take into consideration, it may increase the time by a further 4-6 weeks and additional charges may occur. If you are buying a leasehold property that requires an extension of the lease, this can take significantly longer. In such, a situation additional charges would apply.

We will discuss this with you at the earliest opportunity so you always have a clear picture of how long things are likely to take.

Our fee assumes that:

- This is a standard transaction and that no unforeseen matters arise, including (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- This is the assignment of an existing lease and is not the grant of a new lease
- The transaction is concluded in a timely manner and no unforeseen complication arise
- All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- No indemnity policies are required. Additional disbursements may apply if indemnity policies are required
